CHARITABLE FOUNDATION  
GRANT TO FACES & VOICES OF RECOVERY**

**Pat Taylor, Executive Director  
Faces & Voices of Recovery**

**(Washington, DC, December 21, 2008)** – Faces & Voices of Recovery is pleased to announce that it has received support from the New Hampshire Charitable Foundation (NHCF) to assist in building the capacity of New Hampshire’s recovery community. Faces & Voices will be guiding Friends of Recovery-New Hampshire (FOR-NH) through a year-long rebuilding effort that will involve allied statewide recovery community organizations in New England – Friends of Recovery-Vermont and Connecticut Community for Addiction Recovery.

Faces & Voices looks forward to working with the recovery community across the state to build on the rich history of FOR-NH and to strengthening the ability of people in recovery and their allies to lead and run a newly energized organization. We thank the NHCF for recognizing the important role that organized recovery can play in educating the public and policymakers about the reality of recovery and policies to support it.
